CONFLICT OF INTEREST POLICY

SHIFT
ACCESSIBLE HOMES

Policy

SHIFT is committed to high-quality service for people living with disability and is committed to the effective identification and management of any conflict of interest that might affect a customer of our services.

A conflict of interest occurs when personal, financial, or other interests could compromise or appear to compromise professional judgment and objectivity in services.

We will:

- Be transparent with you and identify, disclose and manage all conflicts of interest.
- Provide you with information that helps you understand any actual, potential or perceived conflicts of interest.
- Assist you to exercise your right to choice and control.
- Provide you with detailed information on the NDIS service you receive from us.
- Conduct periodic audits to assess compliance with conflict of interest policies.
